Seasons Greetings one and all and welcome to our festive singalong.

Jingle Bell Rock

Jingle bell, jingle bell, jingle bell rock
Jingle bells swing and jingle bells ring
Snowing and blowing up bushels of fun
Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock
Jingle bells chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air

What a bright time, it's the right time
To rock the night away
Jingle bell time is a swell time
To go gliding in a one-horse sleigh

Giddy-up jingle horse, pick up your feet
Jingle around the clock
Mix and mingle in the jingling beat
That's the jingle bell rock

(solo)

Jingle bell, jingle bell, jingle bell rock
Jingle bells chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air

What a bright time, it's the right time
To rock the night away
Jingle bell time is a swell time
To go gliding in a one-horse sleigh

Giddy-up jingle horse, pick up your feet
Jingle around the clock
Mix and mingle in the jingling beat

That's the jingle bell
That's the jingle bell
That's the jingle bell rock

Santa Claude is Coming to town

You better watch out
You better not cry
You better not pout
I'm telling you why
Santa Claus is coming to town

He's making a list,
And checking it twice;
Gonna find out who's naughty and nice.
Santa Claus is coming to town

He sees you when you're sleeping
He knows when you're awake
He knows if you've been bad or good
So be good for goodness sake

You better watch out
You better not cry
You better not pout
I'm telling you why

Santa Claus is coming to town (x2 on second time round)

(And repeat)

White Christmas

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the tree tops glisten and children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card, I write
May your days be merry and bright
And may all your Christmases be white

(repeat many times)

Don't forget, last minute presents available at the bar!

Let It Snow

[Verse 1]

Oh, the weather outside is frightful, But the fire is so de-lightful,
And since we've no place to go, Let it snow, let it snow, let it snow.

[Verse 2]

It doesn't show signs of stopping, And I brought some corn for popping.
The lights are turned way down low, Let it snow, let it snow, let it snow.

[Bridge]

When we finally kiss good night, How I'll hate going out in the storm.
But if you really hold me tight, All the way home I'll be warm.

[Verse 3]

The fire is slowly dying, And, my dear, we're still good - byeing,
But as long as you love me so, Let it snow, let it snow, let it snow.

(and repeat)

Lonely This Christmas

[Verse]

Try to imagine a house that's not a home
And try to imagine a Christmas all alone
That's where I'll be since you left me
My tears could melt the snow
What can I do? Without you
I've got no place, no place to go

[Chorus]

It'll be lonely this Christmas without you to hold
It'll be lonely this Christmas, lonely and cold
It'll be cold, so cold without you to hold this
Christmas

[Instrumental]

[Verse]

Each time I remember the day you went away
How I never listened to the things you had to say
I just break down, when I look around
The only things I see
Are emptiness and loneliness and an
Unlit Christmas tree

[Chorus]

It'll be lonely this Christmas without you to hold
It'll be lonely this Christmas, lonely and cold
It'll be cold, so cold without you to hold this
Christmas

[Verse]

You remember last year when you and I were
alone
We never thought there'd be an end and I
remember looking at you then
And I remember thinking that Christmas must
have been made for us coz darlin'
This is the time of year that you really, you
really need love when it means so very very
much

[Chorus]

It'll be lonely this Christmas without you to hold
(so it'll be lonely this Christmas without you to
hold)
It'll be lonely this Christmas, lonely and cold

(It'll be so very lonely this Christmas, lonely and
cold)

It'll be lonely this Christmas without you to hold
It'll be lonely this Christmas, lonely and cold
It'll be cold, so cold without you to hold
..... this Christmas
Merry Christmas darlin' wherever you are

The Darkness – Christmas Time

Feigning joy and surprise,
At the gifts we despise over mulled wine
With you
On the 25th day
Of the 12th month the sleigh bells of winter
Ringing true
How we cling each Noel
To that snowflake's hope in hell

That it would end
Don't let the bells end
Christmas time, Just let them ring in peace

When the weather is cruel
And the season of Yule warms the heart
But it still hurts
You've got your career
Spend the best part of life stood apart
And it still hurts
So that's why I pray
Each and every Christmas day

That it would end
Don't let the bells end
Christmas time, Just let them ring in peace
(Christmas time

Dust underneath the mistletoe leaves
When you're not here
You went away upon boxing day
Now how the hell am I gonna make it into the
New
Year?

Christmas time
Don't let the bells end (don't let it end)
Christmas time
Don't let the bells end (don't let it end)
Christmas time
Don't let the bells end
Christmas time
Just let them ring in peace
Christmas time (come on, kids)
Don't let the bells end (bells end)
Christmas time (ahh)
Don't let the bells end

Step Into Christmas

VERSE 1:

Welcome to my Christmas song
I'd like to thank you for the year
So I'm sending you this Christmas card
To say it's nice to have you here
I'd like to sing about all the things
Your eyes and mind can see
So hop aboard the turntable
Oh oh...
Step into Christmas with me, yeah...

CHORUS:

Step into Christmas
Let's join together
We can watch the snowfall forever and ever
Eat, drink, and be merry
Come along with me
Step into Christmas
The admission is free, yeah...

VERSE 2:

Take care in all you do next year
And keep smiling through the days
If we can help to entertain you
Oh we will find the ways
So merry Christmas one and all
There's no place I'd rather be
Than asking you if you'd oblige
Stepping into Christmas with me, yeah...

CHORUS:

Step into Christmas
Let's join together
We can watch the snowfall forever and ever
Eat, drink, and be merry
Come along with me
Step into Christmas
The admission is free, yeah...

Do they Know it's Christmas?

[Intro]

[Verse]

It's Christmas time, there's no need to be afraid
At Christmas time, we let in light and we banish shade
And in our world of plenty we can spread a smile of joy
Throw your arms around the world at Christmas time

[Verse]

But say a prayer, pray for the other ones
At Christmas time it's hard, but when you're having fun

[Bridge]

There's a world outside your window
And it's a world of dread and fear
Where the only water flowing is
The bitter sting of tears
And the Christmas bells that ring there
Are the clanging chimes of doom
Well tonight, thank God, it's them instead of you

[Chorus]

And there won't be snow in Africa this Christmastime
The greatest gift they'll get this year is life (oh-oh-oh)
Oh, where nothing ever grows
No rain or rivers flow
Do they know it's Christmastime at all?

[Middle 8]

Here's to you
Raise a glass for everyone
Here's to them
Underneath that burning sun
Do they know it's Christmastime at all?

[Interlude]

[Outro]

Feed the wo-orld
Feed the wo-orld
Feed the wo-orld
Let them know it's Christmas time again

Feed the world
Let them know it's Christmas time again

(repeat and fade)

Merry Christmas Everyone (Shaky)

Snow is falling,
all around me
Children playing, having fun
It's the season,
love and understanding
Merry Christmas everyone

Time for parties and celebration
People dancing all night long
Time for presents
and exchanging kisses
Time for singing Christmas songs

We're gonna have a party tonight
I'm gonna find that girl underneath the mistletoe,
We'll kissed by candlelight

Room is swaying, records playing
All the old songs, we love to hear
All I wish that every day was Christmas
What a nice way to spend the year

We're gonna have a party tonight
I'm gonna find that girl underneath the mistletoe,
We'll kissed by candlelight

Snow is falling,
all around me
Children playing, having fun
It's the season,
love and understanding
Merry Christmas everyone (x3)

KEY CHANGE!

Snow is falling,
all around me
Children playing, having fun
It's the season,
love and understanding
Merry Christmas everyone (repeat x 4)

I wish it could be Christmas Every Day (Wizzard)

Intro:

Verse 1:

When the snowman brings the snow,
Well he just might like to know;
He's put a great big smile up-on somebody's
face.

If you jump into your bed; quickly cover up
your head.
Don't you lock the doors;
You know sweet Santa Claus is on the way.

Chorus 1:

Well I...
Wish it could be Christmas every-day,
When the kids start singing and the band
begins to play.
Well I wish it could be Christmas every-day.
So let the bells, ring out for Christmas.

Verse 2:

When we're skating in the park,
If the snow cloud paints it dark;
Then your rosey cheeks will light my merry
way.

Now the frosticals appeared,
And they've frozen up my beard,
So we'll lie by the fire,
'Till the sleep simply melts them all a-way.

Chorus 2:

Well I...
Wish it could be Christmas every-day,

When the kids start singing and the band
begins to play.
Well I wish it could be Christmas every-day.
So let the bells, ring out for Christmas.

Interlude:

Verse 3:

When the snowman brings the snow,
Well he just might like to know;

He's put a great big smile up-on somebody's
face.

So if Santa brings that sleigh,
All a-long The Milky Way,
I'll sign my name on the rooftop, in the snow,
Then he might decide to stay.

Chorus 3:

Well I...
Wish it could be Christmas every-day,
When the kids start singing and the band
begins to play.
Well I wish it could be Christmas every-day.
So let the bells, ring out for Christmas.

Chorus 4:

Well I...
Wish it could be Christmas every-day,
When the kids start singing and the band
begins to play.
Well I wish it could be Christmas every-day.
So let the bells, ring out for Christmas.

Break:

Why don't you give...
Your love, for...Christmas?

Coda:

When the snowman brings the snow,
When the snowman brings the snow.
When the snowman brings the snow,
When the snowman brings the snow.

Last Christmas

[Intro]

[Chorus]

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
But the very next day you gave it away (you
gave it away)
This year, to save me from tears
I'll give it to someone special (special)

[Break]

[Verse 1]

Once bitten and twice shy
I keep my distance but you still catch my eye
Tell me baby, do you recognise me?
Well, it's been a year, it doesn't surprise me

[Verse 2]

(Merry Christmas) I wrapped it up and sent it
With a note saying "I love you", I meant it
Now I know what a fool I've been
But if you kissed me now I know you'd fool
me again

[Chorus]

Last Christmas I gave you my heart
But the very next day you gave it away (you
gave it away)
This year, to save me from tears
I'll give it to someone special (special)

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special (special)

[Break]

Oh, oh my baby

[Verse 3]

A crowded room, friends with tired eyes
I'm hiding from you and your soul of ice
My God, I thought you were someone to rely
on
Me, I guess I was a shoulder to cry on

[Verse 4]

A face on a lover with a fire in his heart
A man under cover but you tore me apart
Ooh hoo, now I've found a real love,
you'll never fool me again

[Chorus]

Last Christmas I gave you my heart
But the very next day you gave it away (you
gave it away)
This year, to save me from tears
I'll give it to someone special (special)
Last Christmas I gave you my heart
But the very next day you gave it away (you
gave me away)
This year, to save me from tears
I'll give it to someone special (special)

[Outro]

A face on a lover with a fire in his heart
A man under cover but you tore him apart
Maybe, next year
I'll give it to someone, I'll give it to someone
special
Special, someone

Merry Christmas Everybody (Slade)

Are you hanging up a stocking on your wall?

It's the time that every Santa has a ball
Does he ride a red nosed reindeer?
Does he turn up on his sleigh
Do the fairies keep him sober for a day?

Chorus:

So here it is Merry Christmas
everybody's having fun
Look to the future now it's only just begun

Are you waiting for the family to arrive?
Are you sure you got the room to spare inside?
Does your granny always tell ya
that the old songs are the best?
Then she's up and rock 'n' rollin' with
the rest

Chorus:

So here it is merry Christmas
everybody's having fun
Look to the future now it's only just begun

What will your daddy do
When he sees your Mama kissin'
Santa Claus?
Ah ah

Are you hanging up a stocking on your wall?
Are you hoping that the snow will start to fall?
Do you ride on down the hillside
in a buggy you have made?

When you land upon your head then
you've been Slade(slayed)

Chorus x3:

So here it is Merry Christmas
everybody's having fun
Look to the future now it's only just begun

Get the band some beers

Fairy tale of New York

It was Christmas Eve babe, In the drunktank
An old man said to me, won't see another one
And then he sang a song, The Rare Old
Mountain Dew
I turned my face away And dreamed about
you

[Verse 2]

Got on a lucky one Came in eighteen to one
I've got a feeling This year's for me and you
So happy Christmas, I love you baby
I can see a better time When all our dreams
come true

[Short Instrumental]

[Verse 3]

They've got cars
Big as bars
They've got rivers of gold
But the wind goes right through you
It's no place for the old
When you first took my hand
On a cold Christmas Eve
You promised me
Broadway was waiting for me

[Verse 4]

You were handsome
You were pretty
Queen of New York City
When the band finished playing
They howled out for more
Sinatra was swinging
All the drunks they were singing
We kissed on the corner
Then danced through the night

The boys of the NYPD choir
Were singing 'Galway Bay'
And the bells were ringing
Out for Christmas day
[Short Instrumental]

[Verse 5]

You're a bum
You're a punk
You're an old slut on junk
Living there almost dead
on a drip In that bed
You scum bag

You maggot
You cheap lousy faggot
Happy Christmas your arse
I pray God
It's our last
The boys of the NYPD choir
Still singing 'Galway Bay'
And the bells are ringing
Out for Christmas Day

[Verse 6]

I could have been someone Well, So could
anyone
You took my dreams From me when I first
found you
I kept them with me babe I put them with my
own
Can't make it all alone I've built my dreams
around you

The boys of the NYPD choir
Still Singing 'Galway Bay'
And the bells are ringing
Out for Christmas Day

Yellow for Shane

Green for Kirsty

Blue for Everyone
